FICTIONAL CASE - NOT A REAL PATIENT
Case: dev-05 | Document: recovery-note | Page: 1
Sinus symptom recovery note
Document date: 2025-04-15
The amoxicillin course ended on 2025-04-08 and is no longer being taken.
Sinus symptoms have resolved as of today's review.
Current medication: saline nasal spray as needed.
The earlier prescription is retained only as treatment history.
