FICTIONAL CASE - NOT A REAL PATIENT
Case: dev-09 | Document: respiratory-review | Page: 1
Two-page respiratory review
Document date: 2025-06-18
Assessment today: asthma, with no wheeze reported today.
Current inhaler: budesonide 200 mcg inhaled twice daily.
Allergies reviewed today: no known drug allergies.

FICTIONAL CASE - NOT A REAL PATIENT
Case: dev-09 | Document: respiratory-review | Page: 2
Two-page respiratory review
Document date: 2025-06-18
Medication recap from the same review, not a second prescription.
Current inhaler: budesonide 200 mcg inhaled twice daily.
Recorded plan: bring the inhaler to the next technique check.
